We at Cookie Revolution Scams are great supporters of **body positivity**.

This manga really struck a chord with me, because I feel like skinny people are often excluded from the movement. We're quick to think they must have it easy and forget that skinny-shaming is, sadly, a thing. People of all shapes and sizes have a hard time trying to get to an **unreachable image**. That's why I wanted to spread a short message of self-love to all of you beautiful people! Big, small, odd, or "just right" you all matter! (o-o)-~>

In a parallel (or...) universe...

On the day of the cultural festival, Masamune cross-dresses. While in disguise, he runs across his best friend Take-kun, who doesn't know he's actually staring at his pal. For Take-kun, it's love at first sight!

Moss-cha~n /
Masamune is called away to act in another class's stage play.

However, Masamune react, when his best friend confesses he fell in love with a girl called "Moss-cha~n" on the day of the festival...? What will be Take-kun's reaction when he realizes, the girl he fell in love with the moment he laid eyes on her, is actually his long time friend...?
